NUC Approved Faculties and their 3 Letter Acronyms

1. **Administration and Management, ADM**
2. **Agriculture, AGR**
3. **Architecture, ARC**
4. **Arts, ART**
5. **Basic Medical Sciences, BMS**
6. **Communication and Media Studies.** CMS
7. **Computing,** CPT
8. **Education, EDU**
9. **Engineering and Technology, ENT**
10. **Environmental Sciences, ENS**
11. **Law, LAW**
12. **Medicine and Dentistry, MED**
13. **Pharmaceutical Science, PHA**
14. **Sciences, SCI**
15. **Social Sciences, SOS**
16. **Veterinary Medicine, VET**

Faculties/Departments

Administration and Management (ADM)

1. Accounting, **ACC**
2. Actuarial Science, **ACS**
3. Aviation Management, **AVM**

4. Business Administration, **BUA**
5. Business Information Technology, **BIT**
6. Co-operative and Rural Development, **CRD**
7. Employment and Human Resource Management, **HER**
8. Entrepreneurship, **ENT**
9. Finance / Banking and Finance, **FIN**
10. Hospitality and Tourism Management, **HTM**
11. Information Resource Management, **IRM**
12. Insurance, **INS**
13. Local Government and Development Studies, **LGD**
14. Logistics and Supply Chain Management, **LSM**
15. Marketing, **MKT**
16. Office and Information Management, **OIM**
17. Petroleum Information Management, **PIM**
18. Procurement Management, **PRM**
19. Project Management, **PGM**
20. Public Administration, **PAD**
21. Security and Investment, **SIM**
22. Taxation, **TAX**
23. Transport Management, **TPM**

2. Agriculture, AGR

1. Agribusiness. **AGB**
2. Agricultural Economics, **AGE**
3. Agricultural Extension, **AGX**
4. Agriculture (5-Year Option), **AGR**
5. Animal Science, **ANS**
6. Crop Science, **CPS**
7. Family and Consumer Sciences, **FCS**
8. Fisheries and Aquaculture, **FAA**
9. Food Science and Technology, **FST**
10. Forest Resources and Wildlife Management, **FRM**
11. Horticulture and Landscape Management, **HLM**
12. Soil Science, **SOS**
13. Water Resources Management and Agro-Meteorology, **WMA**

3. Architecture. ARC

1. Architecture, **ARC**
2. Architectural Technology *(B.Sc. Tech. Architecture)*, **ARST**
3. Furniture Design, **FUD**
4. Interior Architecture Design, **IAD**
5. Landscape Architecture, **LAA**
6. Naval Architecture, **NAA**

4. Arts, ART

1. African Traditional Religion, **ATR**
2. Arabic, **ARA**
3. Archaeology, **ARC**
4. Chinese Language, **CHS**
5. Christian Religious Studies, **CRS**
6. Christian Theology, **CTH**
7. Classics, **CLC / CLL / CLG**
8. Efik, **EFK**
9. English Language and Literature in English, **ENG / LIT**
10. Film Production, **FIP**
11. Folklore, **FLS**
12. Hausa, **HAU**
13. History, **HIS**
14. History and Diplomatic Studies, **HID**
15. Ibibio, **IBI**
16. Igbo, **IGB**
17. Islamic Studies, **ISS**
18. Linguistics, **LIN**
19. Modern European Languages – French, **FRE**
20. Modern European Languages – German, **GER**
21. Modern European Languages – Russian, **RUS**
22. Music, **MUS**
23. Philosophy, **PHL**
24. Religious Studies, **RES**

25. Theatre Arts, **THA**
26. Yoruba, **YOU**

5. Basic Medical Sciences, BMS

1. Human Anatomy, ANA
2. Physiology, PIO

6. Communication and Media Studies. CMS

1. Advertising, **ADV**
2. Broadcasting, **BCJ**
3. Development Communication Studies, **DCS**
4. Film and Multimedia, **FMM**
5. Information and Media Studies, **ISM**
6. Journalism and Media Studies, **JMS**
7. Mass Communication, **MCM**
8. Public Relations, **PRS**
9. Strategic Communication, **STC**

7. Computing, CPT

1. Computer Science, **CSC**
2. Cybersecurity, **CYB**
3. Data Science, **DTS**
4. Information and Communication Technology, **ICT**
5. Information Systems, INS
6. Information Technology, **IFT**
7. Software Engineering, **SEN**

8. Education, EDU

Adult and Continuing Education. **ACE**

Agricultural Education, **AED**

Arabic, **ARA**

Biology, BIO

Business Education, **BED**

Chemistry, **CHM**

Christian Religious Studies, **CRS**

Computer Science, **CSC**

Creative Arts Education, **CAE**

Early Childhood Education, **ECE**

Economics, **ECO**

Educational Management, **EDM**

Efik-Ibibio Education, **EFE**

English Language / Literature-in-English, **ENG**

Entrepreneurship Education, **EED**

Environmental Education, **EEE**

French, **FRE**

Geography, **GEO**

Guidance and Counselling, **GCE**

Hausa, **HAU**

Health Education, **HED**

History, **HIS**

Home Economics, **HEC**

Human Kinetics / Physical Education, **HKE**

Igbo, **IGB**

Integrated Science, **ISC**

Islamic Studies, **ISS**

Language Arts and Communication, **LAC**

Library and Information Science, **LIS**

Mathematics, **MAT**

Music, **MUS**

Physics, **PHY**

Political Science, **POL**

Primary Education, **PED**

Social Studies and Civic Education, **SSE**

Special Needs Education, **SNE**

Sustainable Development Studies, **SDS**

Technology Education, **TED**

Yoruba, **YOR**

9. Engineering and Technology, ENT

1, Aerospace Engineering, **AAE**

2, Agricultural and Biosystems Engineering, **ABE**

3, Automotive Engineering, **TAE**

4. Biomedical Engineering, **BME**

5. Chemical Engineering, **TCH**

6. Civil Engineering, **CEE**

7. Computer Engineering, **CPE**

8. Electrical and Electronics Engineering, **EEE**

9. Electrical Engineering, **TEL**

10. Electronics Engineering, **ELE**

11. Environmental Engineering, **EVE**

12. Food Science and Technology, **FST**

13. Industrial and Production Engineering, **IPE**

14. Information and Communication Engineering, **ICE**

15. Marine Engineering, **MAR**

16. Materials and Metallurgical Engineering, **MME**

17. Mechanical Engineering, **MEE**

18. Mechatronics Engineering, **MCE**

19. Metallurgical Engineering, **MTE**

20. Mining Engineering, **MNE**

21. Natural Gas Engineering, **GNG**

22. Petrochemical Engineering, **PCE**

23. Petroleum and Gas Engineering, **PGE**

24. Petroleum Engineering, **PEE**

25. Structural Engineering, **STE**

26. Systems Engineering, **SYE**

27. Telecommunications Engineering, **TEE**

28. Water Resources Engineering, **WRE**

29. Wood Products Engineering, **WPE**

10, Environmental Sciences, ENS

1. Building, **BUD**

2. Clothing and Textile Design, **CLT**

3. Environmental Management, **EVM**

4. Environmental Standards, **EVS**

5. Estate Management, **ESM**

6. Fashion Design, **FAD**
7. Fine and Applied Arts, **FAA**
8. Geography, **GEO**
9. Industrial Design, **IDD**
10. Quantity Surveying, **QTS**
11. Surveying and Geo-Informatics, **SVG**
12. Urban and Regional Planning, **URP**

11. Law, LAW

12. Medicine and Dentistry, MED

Medicine and Surgery. MBBS / MBChB, Professional

Dentistry. BDS / BChD, Professional

13. Pharmaceutical Science, PHA

Pharmacy. B.Pharm., Professional

Pharmacy. Pharm.D, Professional (Doctoral-entry)

14. Sciences, SCI

1. Biochemistry, **BCH**
2. Biological Sciences *(Biology / Botany / Zoology options)*, **BIO**
3. Biotechnology, **BTG**
4. Botany, **BOT**
5. Brewing Science, **BRS**
6. Chemistry, **CHM**
7. Computer Science, **CSC**
8. Environmental Management and Toxicology, **EMT**
9. Geology, **GLY**
10. Geophysics, **GPH**
11. Industrial Chemistry, **ICH**
12. Mathematics, **MTH**

13. Meteorology, **MET**
14. Microbiology, **MCB**
15. Physics, **PHY**
16. Science Laboratory Technology, **SLT**
17. Statistics, **STA**
18. Zoology, **ZOO**

15. Social Sciences, SOS

1. Criminology and Security Studies, **CSS**
2. Demography and Social Statistics, **DSS**
3. Development Studies, **DES**
4. Economics, **ECO**
5. International Relations, **IRS**
6. Peace and Conflict Resolution, **PCR**
7. Petroleum Economics and Policy Studies, **PEP**
8. Political Science, **POL**
9. Politics, Philosophy and Economics, **PPE**
10. Psychology, **PSY**
11. Social Standards, **SST**
12. Social Work, **BSW**
13. Sociology, **SOC**

16. Veterinary Medicine, VET

00. GIST Courses (General Interdisciplinary Studies & Technology)

They are **not degree programmes**, **do not carry B.Sc./B.Eng awards**, and **do not have programme codes** like academic programmes. Instead, they use **course codes**.

Core GIST Course Areas

All universities must embed courses from these clusters:

1. **Communication & Language**
    - Academic writing
    - Oral communication
    - Use of English

2. **ICT & Digital Literacy**
    - Digital skills
    - Information literacy
    - Basic computing
3. **Entrepreneurship & Innovation**
    - Entrepreneurial mindset
    - Venture creation
    - Innovation skills
4. **Civic, Ethics & Leadership**
    - Nigerian peoples & culture
    - Ethics, citizenship
    - Peace & conflict studies
5. **History, Philosophy & Society**
    - History of science & technology
    - Philosophy and logic
    - Society–technology interaction

Typical NUC-Approved GIST Course Codes

Course Title	Typical NUC Code
Communication in English I	**GIST 111**
Communication in English II	**GIST 112**
Logic, Philosophy & Human Existence	**GIST 113**
Nigerian Peoples & Culture	**GIST 114**
Digital Literacy / ICT Skills	**GIST 121**
Use of Library & Information Skills	**GIST 122**
History & Philosophy of Science	**GIST 221**
Peace Studies & Conflict Resolution	**GIST 222**
Introduction to Entrepreneurship	**GIST 311**
Entrepreneurship & Innovation	**GIST 312**

Universities may **renumber** (e.g., GIST 101, GIST 201), but **content alignment must remain CCMAS-compliant**.

Key Distinctions (Very Important)

Item	GIST	Degree Programme
Purpose	General skills & civic competence	Professional/academic specialisation
Award	❌ No degree	✅ B.Sc / B.Eng / B.A
NUC Code Type	Course codes (GIST xxx)	Programme codes (3-letter)
Applies to	All students	Discipline-specific
Accreditation	Checked as curriculum component	Checked as programme
